Participants will start the day with a ballet class, extending knowledge of French vocabulary, stretching, strengthening muscles, and learning the "foundation" of dance. They will proceed to a Jazz class, which consists of isolations, across the floor combinations, turns, leaps, jumps, & center choreography. Hip Hop is the 3rd form of dance that will be taught. Hip Hop is isolated rhythmical movements done to today's popular music. ALL music is age-appropriate! The week will conclude with a special "showcase" to be performed for the parents and other campers! Campers will participate in free swims.
